Become a Hope maker with the shrine of Our Lady of Montligeon. Donate one or several slates engraved with the names of your beloved, living or deceased. Join the line of church builders. Help us replace the 1903 dilapidated slates.

Engrave your name in prayer

Once fitted in the new basilica rooftop, your special gift shall be set to last for over a century! Offering a slate is a splendid manner to participate in this age-old work!

Supporting an age-old work

By thus having your slate(s) engraved to your name(s), you will support the key mission of the shrine: to host and bring solace to people in distress, especially the bereaved.

The Sisters of the New Covenant will handwrite your name - or that of a beloved of your choice - on the reverse of your slate(s). Once fitted in the new basilica rooftop, your special gift shall be set to last for over a century!
