

Request for a Mass

The Mass is the
greatest of all prayers

The Mass makes present the one sacrifice of Christ offered for all people of all times on the cross two thousand years ago. At every Mass, Christ offers up all of humanity and each one of us. The Mass is the greatest of all prayers, because it is the prayer of Jesus, the Son, to his Father. Together with the whole Church, we are invited to join in this prayer.

Why offer a Mass for someone?

Every Mass is offered for all humanity, but it is possible to offer it for a specific intention.

For the deceased, we believe that our prayer can help them, beyond death, on their journey of purification and their entry into eternal life. Through our prayer, the bonds of love that unite us continue to grow.

For a living person, we can ask for a specific blessing, a grace, a healing, a conversion...

Why make an offering?

The Mass is priceless, but the offering expresses our desire to participate in Christ's sacrifice and to give a little of ourselves (including our material goods and our work) to unite ourselves to it. The offering supports the Church and the lives of priests. The suggested amount is set by each diocese.

You can also register a living or deceased person with the Fraternity of Montligeon so that they may benefit from the perpetual Mass celebrated daily for their intention:
